

Tertiary Education Commission
Te Amorangi Mātauranga Matua

Tertiary Education and Oral Health

Tertiary Education Commission

Barbara Tebbs

Director Strategic Information and Evidence

May 2009

Tertiary Education and our future

Changes to government funding of tertiary education

Before 2008

Lacked coordination
and encouraged
competition

More focused on next
enrolment than future
needs

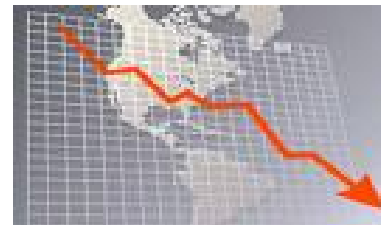

2009 Context

Change in government

Current economic climate

Streamlining tertiary funding system

Changes to the TEC

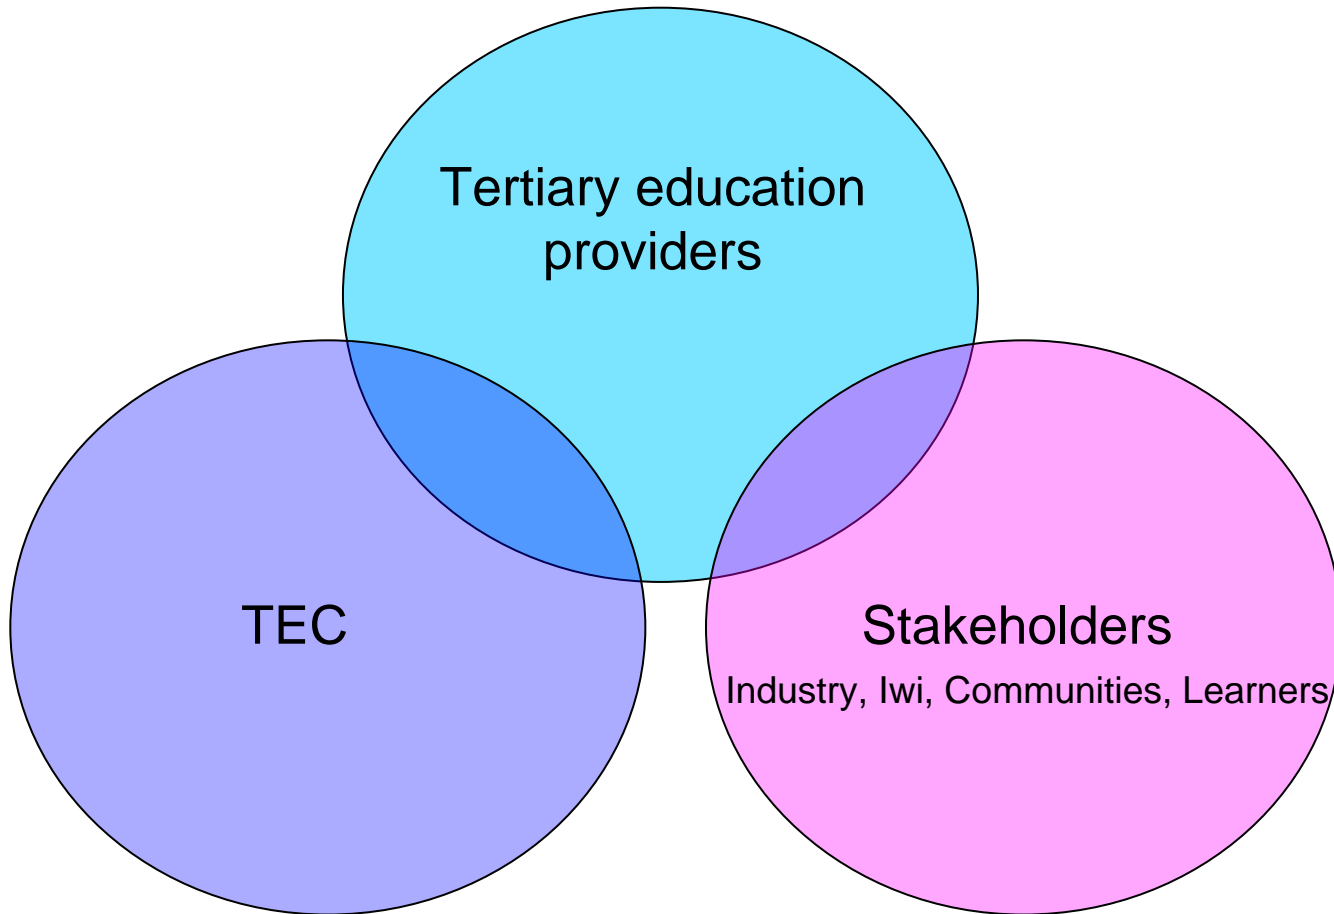

Tertiary Education Commission
Te Amorangi Mātauranga Matua

Different roles across government

Roles in the Investment Plan system

Oral Health and Tertiary Education
